Is an Individual Agent or an Agency policy right for you?

Agents and their Marketing Organizations and Agencies are all valuable partners in growing Aetna business and each need valuable Errors and Omissions (E&O) coverage. Aetna has now partnered with CNA Insurance Company and, for administration, Gallagher Affinity, to offer a high-quality Agent and Agency Errors & Omissions program. The Aetna Insurance Agent and Marketing Organization Agency Errors & Omissions program makes it simple for you to secure insurance coverage by offering both an individual agent policy and an agency policy. Both options provide very competitive rates and program coverage is tailored for Aetna producers.

Individual Agent Policy*

- **Medicare Only Option:** Offers a base rate of $375 for limits of $1,000,000/$1,000,000
- **Expanded Coverage Option:** Offers a base rate of $455 for limits of $1,000,000/$1,000,000
- Provides coverage to the agent as an insured at a single bundled rate based on the limits the agent selects
- Expands coverage to an agency entity only for the acts of an insured agent
- Provides coverage for administrative, clerical, and support personnel while they are acting on behalf of an insured agent
- Participating agent must maintain an appointment with Aetna
- Your owned or controlled business entity is covered so long as the alleged wrongful act arises out of your Professional Services. If you have more than one agent doing business on behalf of an agency, you may want to consider purchasing Agency E&O.

*Pricing includes a $25.00 administrative fee. Down payment includes one month’s premium and a $5.00 monthly processing fee. Monthly payments include a $5.00 processing fee and will begin the first business day of the month after the enrollment effective date.

Agency Policy

- Offers a base rate of $990 for limits of $1,000,000/$1,000,000 with options for $1,000,000/$3,000,000
- Rates are based on net commission revenue tiers and the limits selected
- Provides coverage to agency entity as an insured vs. a specific agent
- Provides coverage for administrative, clerical, and support personnel while they are acting on the agency’s behalf
- Participating agency must be appointed with Aetna
- Extends coverage to all owners and employee agents*, and is designed to cover retail agencies with multiple employee agents

*The agency policy does not cover individual 1099 agents, but these agents can enroll in the individual agent program; agencies should require 1099 agents to carry individual errors & omissions coverage
