DESIGN LAB TOPIC: BUILDING A MACC EQUITY FRAMEWORK

Key questions to move this topic:

- Who is at the table? (Karen, Ryan, Mike,ице)
- How do we engage the community?
- What are we doing to develop this framework?
- How can we make connections to other frameworks?
- What are the next steps?

Action steps:

- Develop a historical context for diversity and equity
- Build community and networks
- Identify key stakeholders
- Develop a plan for implementation

One key takeaway:

- We believe that MACC, as a network, can gather and disseminate diversity and equity best practices.
